STAT

As Chairman of the Suitability Task Force, I have been advised that you have been selected to serve as a representative for your directorate or office on this Task Force. To get started on this worthwhile endeavor, we have scheduled a meeting for Monday, 6 March at 2:00 p.m. Because of the magnitude and complexity of this study, some of you may wish to have back-up assistance to develop information for our review. I would like to keep the voting members of our Task Force limited to each of you selected to serve, but you are invited to have others join us after our first meeting.
